SOR (Separate Order Racks)

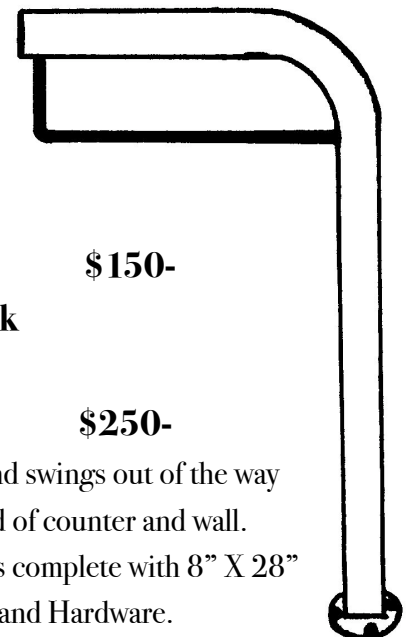

Our specially designed chrome counter racks are meant to keep two different customers orders separated, so that one customer does not grab both orders. It also features a 1-1/4" chrome disc so the garment can lay flat across the rack for examination, instead of bending the hanger.

*1-1/4" Chrome Disc For Hanging
 Garments Across Rack*

- SOR - 18" Between Counters \$250-**
- SOR - 24" Between Counters \$250-**
- SOR - 30" Between Counters \$275-**
- SOR - 36" Between Counters \$295-**

Please Note: All measurements must be taken from the edge of one counter to the edge of the other counter.
